

## Bucket Trap

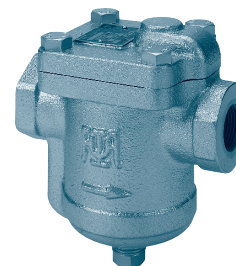

# Type B-10C Steam Traps

For steam

Make prompt start of facility

## Features

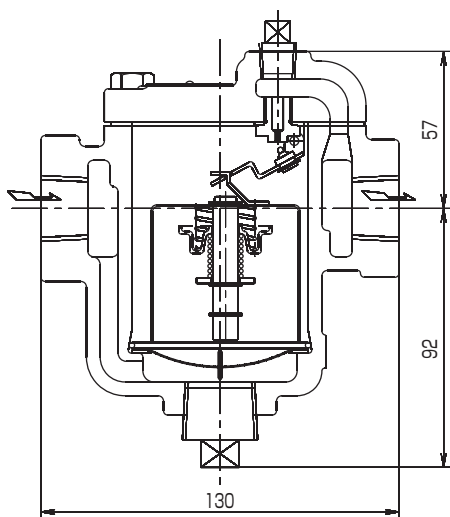

- Automatic forced air discharge mechanism
- Small and light construction, large capacity
- Built-in strainer

## Specifications

Fluid		Steam, condensate	
Maximum pressure		0.7MPa	1.4MPa
Maximum differential pressure		0.7MPa	1.4MPa
Maximum temperature		220°C	
Size		15—25	
Connection		Screwed JIS Rc	
Material	Body, Cover	Cast iron	
	Seat	Stainless steel	
	Bucket	Stainless steel	
	Gasket	Graphite & Stainless steel	
Weight		3.0kg	
Use for		Steam piping, Unit heater, Jacket iron pot
